47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I know you're going to do what is best for your corporate overlords anyway, but maybe consider supporting local competition in broadband providers? Sonic provides easily ten times better speeds, and better customer service, than AT&T, for the same price. Without Sonic, AT&T's slow, unreliable service would be my only option.
